

Nat 5 Graphics Homework – Environment & Society

2D 3.1 – Explaining the impact of graphic communication technologies on our environment & society.

Brief: Research the different graphic communication technologies (e.g. sketched ideas, 3D CAD Modelling, Manufacturing, Production Drawings, 3D Prototype Printing, Simulation, 3D Illustration) then choose 2 and comment on how they impact the environment and society. (You can use the “CAD in Industry” and “DTP Industry & Society” PDFs on the website to help.)
